OUR BACKGROUND

Aldhaen Contracting & Trading WLL (ACT) and its Divisions, has been a trusted name in the Kingdom of Bahrain since 1983. With decades of experience, ACT has built a strong reputation as a reliable and efficient partner in the fields of Maintenance, Engineering, Construction Industry, Safety, and Security.

We are committed to being the Supplier of Choice—delivering high-quality products, innovative business solutions, and timely services that exceed client expectations. Our dedication to excellence is evident in our outstanding workmanship, competitive pricing, and our ability to consistently achieve superior results.

ACT proudly collaborates with leading multinational companies, serving as their extended arm and local business partner in Bahrain. Our strong alliances and extensive industry knowledge allow us to offer customized solutions that cater to the dynamic needs of our clients.

Our fully equipped workshop is a core asset, enabling us to maintain a high standard of service and a competitive edge in the market. This facility empowers us to handle diverse projects with precision, flexibility, and speed.

About ACT

OUR MISSION

To deliver high-quality services and products that exceed our clients' expectations, by fostering innovation, ensuring safety, empowering our workforce, and building lasting partnerships with global industry leaders.

OUR VISION

To be a leading provider of integrated solutions in our core field of expertise — recognized for our reliability, innovation, and commitment to excellence across the Kingdom of Bahrain and beyond.

OUR VALUES

We uphold fairness, transparency, honesty, and intellectual integrity, treating all client and team with openness and respect.

Certificates

Aldhaen Contracting and Trading W.L.L (ACT) has been certified under ISO 9001:2015 Quality Management System since 2017.

This certification reflects our commitment to maintaining high-quality standards and continuous improvement in all our processes.

In addition to our ISO certification, ACT is also certified by EXOVA BM Trada for Manufacturing Fire Rated Doors, ensuring that our products meet rigorous safety and quality standards.

We are proud of these certifications, which underline our dedication to excellence in the contracting and manufacturing industries.

DIVISIONS

ACT TRADING

Al Dhaen Contracting and Trading specializes in importing and exporting goods, catering to the industrial and commercial sectors.

BRAAS WORKSHOP

Braas Workshop is a leading provider of welding and steel fabrication services, offering comprehensive industrial and mechanical solutions.
